This report includes many impressive statistics on the Foundation’s growth, as well as analysis of how these activities have occurred. More important, the following pages illustrate the growing need for all Northeast Mississippi Community College and how donors, alums, and businesses are working with us to meet that need. While the information told here accounts for only a small portion of Northeast’s large impact in providing higher educational opportunities in Northeast Mississippi; all can take great pride in the achievements highlighted in this report.

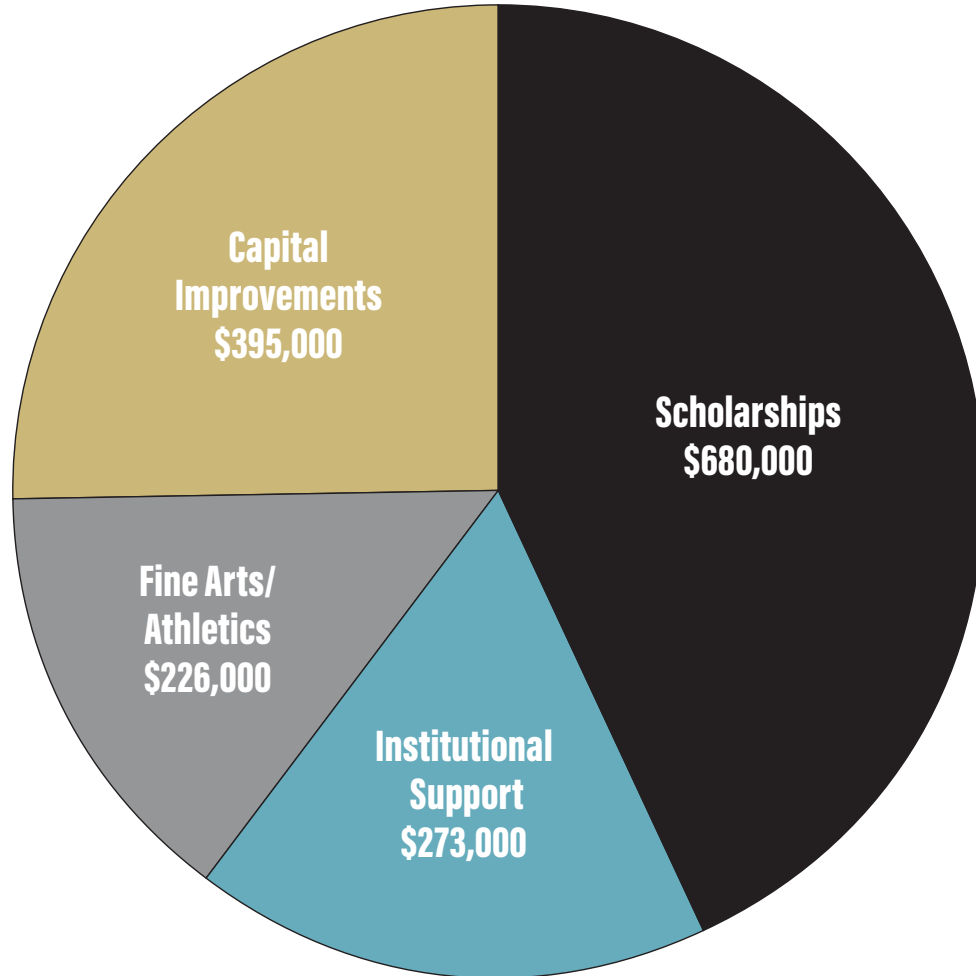

**FISCAL YEAR 2020
AT A GLANCE**

MISSION STATEMENT:

The Northeast Mississippi Community College Development Foundation, Inc., a non-profit corporation, has worked and will continue working to strengthen the college through its private fund raising efforts. The Foundation solicits and receives gifts to support students, faculty and administration for Northeast Mississippi Community College.

FISCAL YEAR 2020 DIRECT SUPPORT TO NORTHEAST

TOTAL DIRECT SUPPORT: \$1,574,000

The Northeast Mississippi Community College Development Foundation, Inc. annually engages the services of an independent accounting firm to perform an audit of the Foundation's financial statements. As part of the audit, the firm also reviews the internal controls and various policies and procedures to ensure the Foundation staff is adhering to the most current accounting practices. The Foundation's auditor, Sparks CPA Firm, has issued an unmodified audit opinion on the financial statements for the year ended June 30, 2020.

Martin helps present a check to NEMCC on behalf of the Peoples Bank of Ripley during the Northeast at Ripley groundbreaking.

Bobby Martin's daughter, Mary Childs, represented the Martin Family at the NEMCC Baseball and Softball Complex ribbon cutting.

MULTIPLE SCHOLARSHIPS HONOR THE LEGACY OF BOBBY MARTIN

Approximately 15 years ago, a new scholarship opportunity for Tippah County college students was created by local banker, the late Bobby Martin and his family.

Today, The Bobby & Barbara Martin Family Scholarship for Tippah County at Northeast Mississippi Community College honors the outstanding legacy of dedication and service of Martin to his fellow citizens.

A lifelong Tippah Countian and advocate for education, Martin sat on the Northeast Development Foundation Board of Directors. He also represented Tippah County on the college's Board of Trustees. Martin was also inducted into the Northeast Development Foundation Philanthropy Hall of Fame for his role in the college's first major gifts campaign. This Pledge for Excellence campaign provided over \$5.5 million of new funding for the college.

donations by personal means and through his leadership at The Peoples Bank of Ripley, which were used to create two scholarship endowments and aid in construction of the new Baseball and Softball complex on the Booneville campus,

the recently opened Northeast at Ripley center and many other projects. His generous giving toward all of these projects totals over \$400,000.

The Bobby & Barbara Martin Family Scholarship for Tippah County is a two semester award. Criteria for application include being a graduate of a high school in Tippah County (does not have to be a current graduating senior) who demonstrates community leadership activities. Applicant must have and maintain a 3.0 grade point (gpa) and submit an essay of 100 words or less which outlines educational history, goals for the future, justification of need for the scholarship and community leadership activities.

The Peoples Bank of Ripley Scholarship Endowment is a one semester scholarship awarded to a student who resides in the Tippah or Benton County. Award is based first on financial need then on academic achievement.

proudly present the NORTHEAST MISSISSIPPI COMMUNITY COLLEGE STUDENT RELIEF FUND

The Northeast Mississippi Community College Student Relief Fund was a partnership formed with NEMCC Foundation and the Woodward Hines Education Foundation. The purpose of this fund was to support students during a financial emergency, which would prevent them from continuing their college education.

Our appreciation goes out to the Woodward Hines Education Foundation for their generosity and

commitment to the students attending NEMCC. NEMCC Foundation was able to assist 80 students who received \$250 grant awards which totaled \$20,000.

NEMCC was very grateful for the generosity of Mississippi Community College Foundation and Woodward Hines Education Foundation and their efforts to help students attending during this unprecedented time.

NEMCC JOIN LOCAL HERO'S FISH FRY

Northeast Mississippi Community College and the Northeast Development Foundation were proud to join alongside many city of Booneville companies to help sponsor the local Hero's Fish Fry in August where over 2,000 people were involved and fed.

On hand for the donation were (from l-r) Northeast vice president of marketing and community relations Will Kollmeyer, Northeast vice president of institutional advancement and executive director the Northeast Development Foundation and Alumni Association Patrick Eaton, Northeast industrial maintenance and production technician instructor Tyler Whitehead, Mississippi Silicon human resource generalist Anna Perez, Northeast president Dr. Ricky G. Ford, Northeast vice president of satellite campuses, director of the NEMCC Corinth campus and director of workforce development Ben Shappley, Mississippi Silicon chief operating officer and plant manager Eddie Boardwine and Mississippi Silicon human resource manager Mayra Sosa Guzman. Not pictured is Northeast vice president of workforce training and economic development Nadara Cole.

NORTHEAST MISSISSIPPI SILICON PARTNERSHIP PAYS OFF

Partnership was the word of the day on Wednesday, September 23 as northeast Mississippi’s workforce received a major boost when Mississippi Silicon, LLC donated \$100,000 to Northeast Mississippi Community College at its plant in Tishomingo County.

Mississippi Silicon, LLC’s donation will help the Booneville-based college with workforce training and an addition to the college’s heating, ventilation, and air conditioning (HVAC) lab at the Northeast at Corinth campus.

“We’re so appreciative of Mississippi Silicon and Eddie (Boardwine) and his group to join in with us and provide this for our

students,” said Northeast president Dr. Ricky G. Ford. “It’s about forming partnerships with people in the community. When we do that, we combine our resources and increase the opportunities for our students.”

Officials stated that Mississippi Silicon’s donation will give maintenance technicians in the Northeast program a competitive advantage by allowing them to apply for jobs in a high-demand job market in the northeast Mississippi area, the state and around the nation.

On hand for the donation at the Mississippi Silicon plant in Tishomingo County were Mississippi Silicon chief operating officer and plant manager Eddie Boardwine,

human resource manager Mayra Sosa Guzman, human resource generalist Anna Perez along with Northeast president Dr. Ricky G. Ford, vice president of workforce training and economic development Nadara Cole, vice president of institutional advancement and executive director the Northeast Development Foundation and Alumni Association Patrick Eaton, vice president of satellite campuses, director of the NEMCC Corinth campus and director of workforce development Ben Shappley, vice president of marketing and community relations Will Kollmeyer and industrial maintenance and production technician instructor Tyler Whitehead.

NEWBY ESTABLISHES SCHOLARSHIP

A strong believer in education, Northeast Mississippi Junior College alumnus the late Howard L. Newby served as the director of the Tippah County Career & Technical Center for 25 years.

Newby began his career as an educator in 1966 teaching various technical skills at Joe Cook Junior High in Columbus, Miss.

For 10 years he served as an industrial coordinator contributing to the establishment of the program “New and Expanding Industries,” which brought various new businesses into the state. After working with various industries across Mississippi and the nation, he brought his skills back to his beloved Tippah County when he was hired to oversee the construction, purchasing of equipment, and selection of specific teaching materials designed for vocational and technical programs.

Perhaps Newby’s most significant accomplishment was the Tippah County Career & Technical Center. He worked hard to ensure it was the first vocational center in the state equipped with computers in its business program in 1985.

Upon his passing, Newby established an endowed a two-semester scholarship at Northeast for students of Tippah County. He desired to help students who completed two-years at the Tippah County Career and Technical Center. These students must have an “A” average for the two years and plan to pursue a career using the skills learned during their time at the center. Students must be enrolled in programs of study that emphasize skills valued in today’s workforce

Newby donated \$350,000 to provide scholarships for future Tippah county students.

HORTON FAMILY DEVELOPS SCHOLARSHIP ENDOWMENT

On a recent visit to campus Northeast Mississippi Junior College alumnus Dr. Marshall Horton of Hixson, Texas (at left), his sister Lou Ann Horton White and his mother Ms. Louise Horton presented a \$30,000 check to Northeast Development Foundation executive director Patrick Eaton, vice president of institutional advancement to create the Horton Family Scholarship Endowment.

Based on academic achievement and financial need, applicants must have a 3.0 grade point average (gpa). Graduating seniors from Tippah County High Schools are eligible to apply. Specific consideration will be given to Walnut High School applicants and applicants from the North Tippah School District.

Giving to Northeast

When making a Gift to the NEMCC Development Foundation, you are:

- Joining a group that has a major goal of making Alcorn, Prentiss, Tippah, Tishomingo, and Union counties more economically viable through higher education.
- Investing in an organization to proactively pursue additional funding sources that will impact the future growth of Northeast Mississippi Community College.
- Participating in economic and community development.
- Supporting an organization that promotes Northeast Mississippi Community College on a local, state, and national level.
- Supporting an organization that will aggressively search for grant opportunities that will benefit the entire Northeast Mississippi region in which the college serves.
- Offered the opportunity to serve on committees that will dramatically impact the direction of the organization. Please become part of our mission to better NEMCC.

Gift of Scholarship Endowment

The beauty of an endowment is apparent, it is a legacy that continues for generations to come. The contribution may be in the form of a one-time gift or a pledged gift with portions given over a period time. The gift is invested, and only a portion of its annual investment return is used for purposes specified by the donor. The goal is to ensure that the principal maintains its value over time. Thus, a donor who creates an endowed gift today can be confident that it will grow and continue to support NEMCC in the years to come. For a list of the endowed scholarships the Northeast Development Foundation manages, visit www.nemcc.edu/foundation.

Gift of Annual Scholarship

For a list of the scholarships the Northeast Development Foundation manages, please see the “Foundation” page. Visit www.nemcc.edu/foundation to develop your Annual Scholarship Plan.

Gift of an Individual Retirement Account

You can currently make a lifetime gift using funds from your individual retirement account (IRA) without undesirable tax effects.

Gift of Stock

Your gifts of non-cash property such as stock may provide an ideal way for you to make a contribution. These gifts may be more advantageous than outright cash gifts because you can make a larger gift at less cost.

Gift through Estate Planning

Through planned giving, donors receive assistance in establishing gifts that will help the college for generations to come. Planned gifts can be arranged through wills, trusts, insurance, and gifts of property. With proper planning, you can make wonderful gifts in support of the college while maintaining or even improving your financial status. It is actually possible to make gifts while increasing income for you and/or loved ones, providing for inheritances, and reducing or eliminating income, gift, and estate taxes.

Gift-in-Kind

Many businesses and individuals take part in the worthwhile project. This is done by making a gift-in-kind donation to the Northeast Development Foundation, which may be designated to a particular area or left to the discretion of the Foundation to place where it is most needed. (A gift-in kind donation includes anything except monetary gifts.)

Gift to the Annual Giving Program

The Northeast Development Foundation encourages all individuals and businesses to make a donation to the Annual Giving Program.

Gift of Real Estate

Your gifts of non-cash property such as real estate may provide an ideal way for you to make a contribution. These gifts may be more advantageous than outright cash gifts because you can make a larger gift at less cost.

However, you choose to give, you can be assured that your generosity will help to secure the future of Northeast Mississippi Community College. Please become part of our mission to better NEMCC.
