MANUFACTURING ACADEMY

Northeast Mississippi Community College

Manufacturing Academy

The demand for a work-ready community is growing in all five of the counties NEMCC serves: Alcorn, Prentiss, Tippah, Tishomingo, and Union. Our employers tell us that finding associates with the skills covered in our Manufacturing Academy is important for them to sustain and expand operations in our district.

We are pleased to offer an academy that addresses the common skills every employer desires. More importantly, we can provide the Northeast workforce with the skills they need to improve their quality of life.
