**STUDENT AUTHORIZATION  
Use of Financial Aid  
2013 – 2014 Aid Year**

Financial aid is provided to help cover the cost of attending college. Based upon my signature below, I am requesting that I be allowed to utilize my financial aid to cover all cost of my enrollment at Northeast Mississippi Community College. I wish to use my financial aid to:

- pay tuition, fees, and room and board,
- charge textbooks, class supplies, and other items in the NEMCC Bookstore
- pay other incidental charges associated with my enrollment and attendance at NEMCC: such as, malpractice insurance, voluntary accident insurance, child care fees, testing fees, late fees, and other college related charges

I understand that I am requesting to charge these costs against my federal grant or loan, as well as, any state or private financial aid. I understand that my financial aid may not provide enough resources to cover all of the costs of college enrollment and that I am personally responsible for costs in excess of my final financial aid awarded. I understand that I will not be allowed to charge any costs in excess of my financial aid. I understand that my approved financial aid amount may change during the semester based on my enrollment status.

**I also understand all charges I incur will be deducted from the first financial aid received on campus regardless of source. I understand that I, the student, am personally responsible for all debts I incur at Northeast Mississippi Community College.**

I understand that I can charge against my federal or state grant two (2) days before the beginning of classes, and on three (3) separate occasions during the first four (4) weeks of the semester. A check for the remaining balance, if any, of my financial aid will be issued to me after the tenth week of the semester.

I understand that if I am charging to a loan I may charge only one time and that charge must be made within the first two weeks of school. I understand that if I leave school for any reason before the loan check distribution date, I am responsible for all charges made.

In the event I do not complete the semester, I further understand that I may return my books to the college bookstore for a pro rata refund in accordance with the bookstore refund policy and the federal financial aid regulations. All other items purchased in the bookstore with financial aid are excluded from the pro rata refund upon withdrawal. I understand that I will pay the college the total amount due for these items charged.

**As stated earlier, I understand that all charges made at Northeast Mississippi Community College will be paid with the first financial aid received by the college.**
