

**Northeast Mississippi Community College  
Graduation Information**

Graduation rates and transfer out rates are based on the semester reporting system using information reported to the Integrated Postsecondary Data Systems (IPEDS). The rates are calculated using a fall cohort of first Time, Full Time Degree Seeking students and tracking them for 150% of their program. The cohort is adjusted to exclude students who leave to serve in the Armed Forces, on official church missions, or are deceased. All IPEDS surveys can be viewed at <http://nces.ed.gov/ipeds/>
