Liaisons...

Librarians serve as liaisons for one or more divisions to better serve the needs of our faculty. Liaisons assist faculty with finding and ordering teaching materials or books to meet both student and faculty needs. Liaisons also meet with divisions upon request to provide instruction on database usage. Our library liaisons are:

- Division of Engineering/Engineering Technology—Kalah Roger—Extension 7408
- Division of Fine Arts—Sherita Taylor—Extension 7583
- Division of Health Sciences—Laura Gilham—Extension 7162 and 696-2354 at Corinth
- Division of Languages/Humanities—Glenice Stone—Extension 7237
- Division of Social and Behavioral Sciences—Ellice Yager—Extension 7584
- Division of Math and Sciences—Sherita Taylor

Librarians' schedules vary in order to cover the hours the library is open each week. If your liaison is not available, please feel free to contact **Susan Brackeen** at 7407 (She keeps all of us organized and the library running smoothly. She is also the one who knows the status on all materials purchased by the library.) To contact the entire staff at all locations, use the following email address: E-mail: in-house@nemcc.edu.
