# Independent Verification 2016-2017

Your 2016–2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

## A. Student’s Information

## B. Number of Household Members and Number in College

List below the people in the student’s household. Include:

- The student.
- The student’s spouse, if the student is married.
- The student’s or spouse’s children if the student or spouse will provide more than half of their support from July 1, 2016, through June 30, 2017, even if the children do not live with the student.
- Other people if they now live with the student and the student or spouse provides more than half of their support and will continue to provide more than half of their support through June 30, 2017.

For any household member who will be enrolled at least half time in a degree, diploma, or certificate program at an eligible postsecondary educational institution any time between July 1, 2016, and June 30, 2017, include the name of the college.

If more space is needed, provide a separate page with the student’s name and ID number at the top.

**Independent Verification 2016-2017****STUDENT TAX FILERS****C. Verification of 2015 IRS Income Tax Return Information for Student Tax Filers  
(COMPLETE THIS SECTION ONLY IF STUDENT/SPOUSE FILED A 2015 IRS TAX RETURN)**

**Important Note:** The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2015 or had a change in marital status after the end of the 2015 tax year on December 31, 2015.

**Instructions:** Complete this section if the student and spouse filed or will file a 2015 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at [FAFSA.gov](http://fafsa.gov).* In most cases, no further documentation is needed to verify 2015 IRS income tax return information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

Contact the financial aid office if more information is needed about using the IRS DRT.

**Check the box that applies:**

- The student has used the IRS DRT in *FAFSA on the Web* to transfer 2015 IRS income tax return information into the student's FAFSA.
- The student is unable or chooses not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school a **2015 IRS Tax Return Transcript(s)**. (signature not required)

To obtain a **2015 IRS Tax Return Transcript**, go to <http://www.irs.gov/Individuals/Get-Transcript>. Because of the new 'Get Transcript Online' tool, the IRS will no longer handle requests for transcripts at its Taxpayer Assistance Centers or by phone, except for the IRS automated phone tool at 1-800-908-9946. Tax filers who are unable to use the "Get Transcript Online" tool will still be able to submit a transcript request online by using the online "Get Transcript by Mail" option, or by using the IRS2GO mobile app, the automated phone tool at 1800-908-9946, or by submitting a paper Form 4506 or 4506-T. The transcript will then be mailed to the tax filer. In most cases, for electronic filers, a **2015 IRS Tax Return Transcript** may be requested from the IRS within 2–3 weeks after the 2015 IRS income tax return has been accepted by the IRS. Generally, for filers of 2015 paper IRS income tax returns, the **2015 IRS Tax Return Transcript** may be requested within 8–11 weeks after the 2015 paper IRS income tax return has been received by the IRS.

If the student and spouse filed separate 2015 IRS income tax returns, **2015 IRS Tax Return Transcripts** must be provided for both.

**STUDENT NON-TAX FILERS****D. Verification of 2015 Income Information for Student Nontax Filers  
(NOT REQUIRED IF COMPLETED SECTION C)**

The instructions and certifications below apply to the student and spouse, if the student is married. Complete this section if the student and spouse will not file and are not required to file a 2015 income tax return with the IRS.

**Check the box that applies:**

- The student and spouse were not employed and had no income earned from work in 2015.
- The student and/or spouse were employed in 2015 and have listed below the names of all employers, the amount earned from each employer in 2015, and whether an IRS W-2 form is provided. [Provide copies of all 2015 IRS W-2 forms issued to the student and spouse by their employers]. List every employer even if the employer did not issue an IRS W-2 form.

If more space is needed, provide a separate page with the student's name and ID number at the top.

**STUDENT AUTHORIZATION  
Use of Financial Aid  
2016 – 2017 Aid Year**

**This section is optional. Only students wishing to charge expenses other than tuition, room and board and required fees must complete this section. Be aware that NO other charges (books, etc.) can be charged against your financial aid without a signed authorization. Federal Pell Grant eligible students who wish to charge books and supplies only in the college bookstore to their business office account need not sign this authorization if their aid application is complete.**

Financial aid is provided to help cover the cost of attending college. Based upon my signature below, I am requesting that I be allowed to utilize my financial aid to cover all cost of my enrollment at Northeast Mississippi Community College. I wish to use my financial aid to:

- pay tuition, fees, and room and board,
- charge textbooks, class supplies, and other items in the NEMCC Bookstore
- pay other incidental charges associated with my enrollment and attendance at NEMCC: such as, malpractice insurance, voluntary accident insurance, child care fees, testing fees, late fees, and other college related charges

I understand that I am requesting to charge these costs against my federal grant or loan, as well as, any state or private financial aid. I understand that my financial aid may not provide enough resources to cover all of the costs of college enrollment and that I am personally responsible for costs in excess of my final financial aid awarded. I understand that I will not be allowed to charge any costs in excess of my financial aid. I understand that my approved financial aid amount may change during the semester based on my enrollment status.

**I also understand all charges I incur will be deducted from the first financial aid received on campus regardless of source. I understand that I, the student, am personally responsible for all debts I incur at Northeast Mississippi Community College.**

I understand that I can charge against my federal or state grant two (2) days before the beginning of classes, and on three (3) separate occasions during the first four (4) weeks of the semester. A check for the remaining balance, if any, of my financial aid will be issued to me after the tenth week of the semester.

I understand that if I am charging to a loan I may charge only one time and that charge must be made within the first two weeks of school. I understand that if I leave school for any reason before the loan check distribution date, I am responsible for all charges made.

In the event I do not complete the semester, I further understand that I may return my books to the college bookstore for a pro rata refund in accordance with the bookstore refund policy and the federal financial aid regulations. All other items purchased in the bookstore with financial aid are excluded from the pro rata refund upon withdrawal. I understand that I will pay the college the total amount due for these items charged.

**As stated earlier, I understand that all charges made at Northeast Mississippi Community College will be paid with the first financial aid received by the college.**
