### General Information

- Only grades 7-12 participants from regional fairs can participate in the State Level Fair.
- Participation is limited to those placing 1, 2, and 3 in each category including those designated as Regional Fair Regeneron ISEF Finalists or Alternates.
- **NO SUBSTITUTIONS FOR THOSE UNABLE TO ATTEND ARE PERMITTED.**
- All eligible MSEF Regional Fair participants from affiliated fairs are expected to participate in the State Fair.

### Registration

Registration for the State Science and Engineering Fair will be processed directly by each Regional Fair Director. All teachers will receive an email with more information as soon as the Region II MSEF receives it from the State Fair host.

### Finalists from the State-Level Mississippi Science and Engineering Fair

Each of the Regeneron ISEF State Fair Finalists selected will be eligible to participate in the ISEF competition. Strict compliance with all ISEF Rules is required. Others who may be eligible to attend the Regeneron ISEF as an OFFICIAL PARTY must be certified and otherwise authorized to participate by the State Fair Director and/or Regional Directors and must also pay any expenses of attending.
