This report includes many impressive statistics on the Foundation's growth, as well as analysis of how these activities have occurred. More important, the following pages illustrate the growing need for all Northeast Mississippi Community College and how donors, alums, and businesses are working with us to meet that need. While the information told here accounts for only a small portion of Northeast's large impact in providing higher educational opportunities in Northeast Mississippi; all can take great pride in the achievements highlighted in this report.

FISCAL YEAR 2021 AT A GLANCE

The Northeast Mississippi Community College Development Foundation, Inc. annually engages the services of an independent accounting firm to perform an audit of the Foundation's financial statements. As part of the audit, the firm also reviews the internal controls and various policies and procedures to ensure the Foundation staff is adhering to the most current accounting practices. The Foundation's auditor, Sparks CPA Firm, has issued an unmodified audit opinion on the financial statements for the year ended June 30, 2021.

GIFT OF SCHOLARSHIP ENDOWMENT

The beauty of an endowment is apparent, It is a legacy that continues for generations to come. The contribution may be in the form of a one-time gift or a pledged gift with portions given over a period time. The gift is invested, and only a portion of its annual investment return is used for purposes specified by the donor. The goal is to ensure that the principal maintains its value over time. Thus, a donor who creates an endowed gift today can be confident that it will grow and continue to support NEMCC in the years to come. For a list of the endowed scholarships the Northeast Development Foundation manages, visit www.nemcc.edu/foundation.

GIFT OF ANNUAL SCHOLARSHIP

For a list of the scholarships the Northeast Development Foundation manages, please see the "Foundation" page. Visit www.nemcc.edu/foundation. to develop your Annual Scholarship Plan.

GIFT-IN-KIND

Many businesses and individuals take part in the worthwhile project. This is done by making a gift-in-kind donation to the Northeast Development Foundation, which may be designated to a particular area or left to the discretion of the Foundation to place where it is most needed. (A gift-in-kind donation includes anything except monetary gifts.)

GIFT OF AN IRA

You can currently make a lifetime gift using funds from your individual retirement account (IRA) without undesirable tax effects.

GIFT OF STOCK

Your gifts of non-cash property such as stock may provide an ideal way for you to make a contribution. These gifts may be more advantageous than outright cash gifts because you can make a larger gift at less cost.

GIFT THROUGH ESTATE PLANNING

Through planned giving, donors receive assistance in establishing gifts that will help the college for generations to come. Planned gifts can be arranged through wills, trusts, insurance, and gifts of property. With proper planning, you can make wonderful gifts in support of the college while maintaining or even improving your financial status. It is actually possible to make gifts while increasing income for you and/or loved ones, providing for inheritances, and reducing or eliminating income, gift, and estate taxes.

GIFT TO THE ANNUAL GIVING PROGRAM

The Northeast Development Foundation encourages all individuals and businesses to make a donation to the Annual Giving Program.

GIFT OF REAL ESTATE

Your gifts of non-cash property such as real estate may provide an ideal way for you to make a contribution. These gifts may be more advantageous than outright cash gifts because you can make a larger gift at less cost.

However you choose to give, you can be assured that your generosity will help to secure the future of Northeast Mississippi Community College.

consecutive semesters at Northeast) semester by semester scholarships awarded to full time students attending Northeast from its five-county service district (Alcorn, Prentiss, Tippah, Tishomingo and Union Counties). KEN AND BARBARA SHACKLEFORD ENDOWMENT SCHOLARSHIP

Prior to the Tigers' recent game versus Pearl River, Ken and Barbara Shackelford of Booneville presented Patrick Eaton and Reid Bostick, President of the Foundation Board of Directors, a \$25,000 check to establish the Ken & Barbara Shackelford Endowment Scholarship.

The Ken & Barbara Shackelford Endowment Scholarship is awarded to a Booneville High School graduate (freshmen or sophomore) who is majoring in Education or Accounting. The selection is based on academic achievement and financial need.

Ken and Barbara Shackelford both attended The Northeast Mississippi Junior College and were active within the campus community. As alumni, Ken and Barbara have continued to serve Northeast as they did when they were students. Ken (1966-68) was a two-year member of the Student Government Association and worked as the scorebook keeper for the Tiger Basketball team. Barbara (1967-68) was the editor of the student newspaper, The Beacon. Professionally, Ken became a teacher and coach before working

Barbara returned to Northeast as a recruiter in 1982 and became director of Public Information in 1987. Her title changed to Associate Vice-President of Public Information in 2000. During her professional time on campus, Barbara served as Secretary for Alumni Affairs (1991-2006), Phi Theta Kappa (PTK) Adviser, and director of the Miss NEMCC Pageant. She retired in 2006, but worked as an alumni associate until 2011.

The Northeast Mississippi Community College athletic department is bringing back two of its longtime offerings that have produced several successful champions in the past. Northeast is reinstating its men's and women's tennis programs following a four-year layoff. The Lady Tigers and Tigers will officially return to head-to-head competition during the 2021-22 academic year.

Northeast has four tennis courts on campus nestled between the Haney Union, Ramsey Hall and the aquatics center. They are the only courts available for use in the entire county. Local high schools such as Booneville and New Site utilize these courts for their practices and "home" matches.

We are excited to launch the "Game. Set. Match." Tennis Complex Capital Gifts Campaign. This beautiful complex will be built just west of Tiger Stadium and have 8 courts and 4 seating pavilions. Would you consider making a gift to this campaign? No gift is too large or too small.

As we have in past Capital Giving Campaigns, we need you, our alumni, donors, and community friends, to step onto the court and come together to help us reach this milestone. We need your support in building this superior complex which has a total cost of \$2 million. Please review the campaign information and "Game. Set. Match." your contribution today!

If you have any questions or concerns, please feel free to contact the Northeast Development Foundation at (662) 720-7165 or dpeaton@nemcc.edu.

2021 ALUMNI HALL OF FAME INDUCTEE

Malcolm White (1970 - 1971)

Malcolm White is one of Northeast's native sons and has turned his career into promoting the hospitality and tourism industry in Mississippi throughout southeast, the nation and the world.

White is the son of former Northeast Mississippi Junior College president Harold T. White (NEMCC Sports Hall of Fame inductee in 2008) and spent time on the 1970 and 1971 football teams under the tutelage of Northeast Mississippi Community College Sports Hall of Fame member William "Bill" Ward.

A native of Stone County and Booneville, White holds a bachelor's degree in social studies from the University of Mississippi in Hattiesburg and has been turning his love for history into a passion throughout his life.

White has served on various civic and professional organizations, boards and commissions throughout his working career including being the chairperson for the Mississippi Blues Commission and the Jackson Historic Preservation Commission.

However, White may be known most for his ownership and operating of a historic and iconic gathering spot in the capital city - Hal & Mal's - which pays homage to the two founding members of the restaurant and both of Harold T. White's son.

Throughout the years Hal & Mal's has become a cultural melting pot for extraordinary events and festivals throughout Mississippi and the restaurant owner is credited with creating the Hal's St. Paddy's Parade in Jackson that benefits the Blair E. Batson Hospital for Children at the University of Mississippi Medical Center and generates over \$10 million in economic impact for the City of Jackson each year.

Hal & Mal's received the 2020

Keeping The Blues Alive Award from The Blues Foundation for its work toward the Mississippi tourism

industry. White has even authored a book about his family's 36-year business enterprise entitled, *The Artful Evolution of Hal & Mal's*, which takes readers through stories about the famed Jackson landmark.

In addition to *The Artful Evolution of Hal & Mal's*, released in 2018, White has become an accomplished author with *Little Stories: A Collection of Mississippi Photos* (2015) and was featured in the 2014 edition of *Mississippi Entrepreneurs*. The Mississippi Humanities Council has honored White with the Preserver of Culture Award at the state level.

White's love for hospitality was only matched by his love for tourism in the state and the Northeast son wrapped up a 12-year career with the Mississippi Arts Commission, an art-based granting and service agency, in September 2020 that saw him help bring tourism and the film industry to the Magnolia State.

White also served as the director for Visit Mississippi, the state's tourism office, where in his capacity, he developed and implemented plans to bolster economic growth and opportunities throughout Mississippi through tourism and promoted the state's creative economy as a travel destination and film location.

Currently, White is the co-host for the weekly radio show, *Deep South Dining* on Mississippi Public Broadcasting and contributes to the Mississippi Arts Hour - a project he began while with the Mississippi Arts Council. White was instrumental in starting a \$25,000 scholarship endowment in the memory of his parents, Mr. and Mrs. Harold and Jane White and brother Hal White.

Today, White enjoys his early retirement and is focused on gardening and being a grandparent.

NEMCC SPORTS HALL OF FAME'S THIRTEENTH CLASS

The Northeast Mississippi Community College Sports Hall of Fame returns following a one-year hiatus due to the continuing coronavirus pandemic to recognize its 13th class of inductees.

Eric Batchelor, Jerry "Lefty" Harrelson, Tim McDonald and Mario Stevenson were inducted into Northeast Sports Hall of Fame on Thursday, October 14 in the Claude Wright Room of the Haney Union.

They were also honored at Tiger Stadium prior to the kickoff of Northeast's homecoming football game against Mississippi Association of Community Colleges Conference (MACCC) North Division opponent Mississippi Delta Community College.

Four former student-athletes make up the class of 2021. Three of them played for the men's basketball program, one was a two-sport standout while another was an award-winning star on the gridiron.

ERIC BATCHELOR (Men's Basketball, 1998-2000)

Eric Batchelor played a key role for the Tigers, who were coached by hall of famer Mike Lewis, as they ran the tables through the north half, state and regional competitions to clinch a berth to the prestigious national tournament in Kansas.

He contributed in every major game on the "Road to Hutch." He was one of three Northeast standouts to score more than 20 points in a 98-81 win against Northwest in the division title tilt.

The two teams met once more on February 22, 2000 inside legendary Bonner Arnold Coliseum with the then-MACJC championship on the line. Batchelor topped all players with 33 points in the Tigers' 109-92 decision over the Rangers.

Northeast proceeded to claim its first NJCAA Region 23 crown in five

years with an 88-68 victory versus Mississippi Gulf Coast at Mississippi College's A.E. Wood Coliseum. Batchelor posted 21 of his 31 points in the second half and drained seven big treys.

He reached double figures in three of the Tigers' four matchups at "The Tournament." Batchelor had a tournament-best 32 points and 10 made three-pointers against Brevard (Fla.).

Batchelor became the 14th NJCAA All-American in program history following his sensational sophomore campaign. He signed a scholarship to continue his career at UAB.

JERRY "LEFTY" HARRELSON (Baseball/Men's Basketball, 1962-65)

Jerry "Lefty" Harrelson accepted scholarship offers to continue his athletic career at Northeast. Harrelson suited up for multi-time hall of fame headman

Eric Batchelor

Jerry "Lefty" Harrelson

Tim McDonald

Mario Stevenson

Bonner Arnold on the hardwood and for coach Hal Hughes on the baseball team.

Harrelson helped the men's basketball program capture the then-MJCC north half championship during the 1963-64 campaign. The Tigers defeated Holmes by a score of 62-48 in the title contest.

He was listed as a "stocky" guard and forward. Harrelson had a season-high 11 points during his sophomore year in a 100-71 victory by Northeast over rival Northwest.

Harrelson was stellar both at the plate and on the mound for the Tigers. He topped Northeast in 1963 with a .381 batting average, which included a three-hit effort in an 8-4 triumph over Northwest.

He was one of the aces of Northeast's pitching staff one year later. Harrelson collected a pair of wins versus Holmes, including a five-hitter in an 8-2 decision by the Tigers in their home opener.

Harrelson spent the majority of his professional career as a coach and an educator. He held various positions for baseball, boys basketball, girls basketball and football teams at Burnsville, Iuka and Jumpertown schools over the course of 16 years.

He officially retired in 2006 with a total of 35.5 years in the public school system between his five stops in the tri-state area. Harrelson, who is also a member of the NEMCABB Hall of Fame, died in October 2016.

TIM McDONALD

*(Men's Basketball
1985-86, 1986-87)*

Tim McDonald won a division, state and regional championship during the first two seasons of Harvey Childers' historic tenure as head coach of Northeast's men's basketball program in the 1980s.

Northeast marched through the regular season with a 20-2 record during McDonald's freshman year. The Tigers first captured the then-MJCAA North Division title with a victory over Holmes and then nationally ranked Copiah-Lincoln to hoist the state championship trophy.

The Tigers were once again the number one seed out of the MJCAA North Division heading into the 1987 postseason. Northeast went on to win the NJCAA Region 23 Tournament and advance to the national tournament in Hutchinson, Kan., for the first time in more than three decades.

He was named to the NJCAA All-Region 23 Tournament team. McDonald, who had shooting percentages of 51.5 overall and 46.1 from three-point range as a sophomore, never lost a game inside legendary Bonner Arnold Coliseum.

McDonald was successful outside of the gymnasium as well. He was selected by his peers as Mr. Northeast for 1987 and also earned Who's Who Among Students in American Junior Colleges distinction.

He signed a scholarship to continue his career under the watch of headman Joe Dean, Jr., at Birmingham-Southern (Ala.). McDonald is recognized in the Panthers' record book three times, including the school record for top three-point percentage at .519.

MARIO STEVENSON

(Football, 2002-03)

Mario Stevenson helped the Tigers capture their first then-MACJC North Division championship in 22 years during his freshman campaign in 2002.

A four-game winning streak during the month of October lifted Stevenson and the Tigers to the top

of the division standings. Northeast secured its first playoff berth since 1987 and the second north half title in program history with a thrilling 7-6 victory over Holmes.

Stevenson was part of a talented unit at Northeast, which was directed by head coach Bobby Hall, that finished the regular season with a number one ranking in total defense inside the MACJC.

The Memphis, Tenn., native was rated as the top cornerback in the entire country ahead of his sophomore year with the Tigers. Stevenson lived up to his rating by receiving first-team All-MACJC honors after grabbing three interceptions for Northeast.

He signed a scholarship for coach Nick Saban's LSU Tigers during their preparations for the 2004 national title game against Oklahoma. The 6-2, 200-pounder made his official debut with the Tigers on September 11, 2004.

Stevenson is currently in his second season as the assistant football strength and conditioning coach at Nevada. The Wolf Pack went 7-2 and won the Famous Idaho Potato Bowl during his inaugural year on the staff.

A native of Saltillo, Mississippi and 2013 Saltillo High School graduate, she attended Northeast Mississippi Community College from fall 2013 to spring 2015, where she studied liberal arts and music. She played acoustic guitar (occasionally the ukulele) and was a part-time vocalist as a member of Campus Country. She was also a member of Phi Theta Kappa member served as a and Tiger Ambassador. Emily was elected to the 2015 class of the Northeast Hall of Fame. Since graduating from Northeast and the University of North Alabama ('17), Emily began to fall in love with the art of photography and videography. In late 2018 she worked her first wedding and hasn't looked back, but it was her desire to branch out into real estate photography that sparked her interest in working with the Foundation on the Tiger Bed and Breakfast promotion project. Emily's business, Finch Collective Studios, offers a variety of photo and video services "to help tell couples' love stories in a creative, fun, and timeless way." Emily and her husband Kurt, who she met while at Northeast in Campus Country, live in Germantown, Tennessee with their dog "Josie the Corgi."

My name is LaVaile Shields and I graduated from NEMCC in 1998 with a Marketing Degree. I am married to Johnny Shields and we have three boys named Channing Barkley, Logan Barkley, and John Rylan Shields. I am currently serving as an Alderman for the City of Booneville. I have enjoyed working with NEMCC on this project and look forward to many more to come.

APPRECIATION LUNCHEON

Northeast Mississippi Community College's Development Foundation and Alumni Association held an appreciation luncheon for its athletic all-star sponsors on March 3, 2022. Catered by Ricky Prather and the crew of Ricky Prather Catering, sponsors got a chance to mingle with Northeast softball and baseball coaches and share stories of bygone athletic careers before the Tiger baseball team took on the Warhawks of Calhoun Community College. Booneville attorney Casey Lott was voted by his peers to throw out the first pitch and spurred the Tigers to a sweep of the Warhawks 11-3 in the lidlifter and a dramatic 7-6 one-out, bases loaded walkoff single by Tupelo's Noah Foster in the night cap.
